HELP GIVE BRAND NEW WINTER COATS

TO CHILDREN IN NEED

Nearly 1 in 5 kids in the U.S. live in poverty. Gurnee Rotary is on a mission to give brand new, colorful winter coats to children in need at the Special Education District of Lake County and Millburn School District 24. Give a child in need a gift that will keep them warm and help boost their self-esteem all winter long.

Help give Winter Coats to kids in need. Every \$20 donation will provide a brand-new, warm coat through our partner Operation Warm.
